

**§ 1410.56 Division of payments and provisions about tenants and sharecroppers.**

(a) Payments received under this part shall be divided as specified in the applicable contract and CCC shall ensure that producers who would have an interest in acreage being offered receive treatment that is equitable, as determined by the Deputy Administrator. CCC may refuse to enter into a contract when there is a disagreement among persons seeking enrollment as to a person's eligibility to participate in the contract as a tenant and there is insufficient evidence to indicate whether the person seeking participation as a tenant does or does not have an interest in the acreage offered for enrollment in the CRP.

(b) CCC may remove an operator or tenant from a CRP contract when:

(1) The operator or tenant requests in writing to be removed from the CRP contract;

(2) The operator or tenant files for bankruptcy and the trustee or debtor in possession fails to affirm the contract, to the extent permitted by applicable bankruptcy laws;

(3) The operator or tenant dies during the contract period and the administrator of the estate fails to succeed to the contract within a period of time determined by the Deputy Administrator; or

(4) A court of competent jurisdiction orders the removal from the CRP contract of the operator or tenant and such order is received by FSA, as determined by the Deputy Administrator.

(c) In addition to paragraph (b) of this section, tenants shall maintain their tenancy throughout the contract period in order to remain on a contract. Tenants who fail to maintain tenancy on the acreage under contract, including failure to comply with applicable State law, may be removed from a contract by CCC. CCC shall assume the tenancy is being maintained unless notified otherwise by a party to contract.

**§ 1410.57 Payments not subject to claims.**

Subject to part 1403 of this chapter, any cost-share or annual payment or portion thereof due any person under

this part shall be allowed without regard to questions of title under State law, and without regard to any claim or lien in favor of any creditor, except agencies of the United States Government.

**§ 1410.58 Assignments.**

Participants may assign the right to receive such cash payments, in whole or in part, as provided in part 1404 of this chapter.

**§ 1410.59 Appeals.**

(a) Except as provided in paragraph (b) of this section, a participant or person seeking participation may appeal or request reconsideration of an adverse determination in accordance with the administrative appeal regulations at parts 11 and 780 of this title.

(b) Determinations by NRCS assigned to make such determination for the Deputy Administrator may be appealed in accordance with procedures established under part 614 of this title or otherwise established by NRCS.

**§ 1410.60 Scheme or device.**

(a) If CCC determines that a person has employed a scheme or device to defeat the purposes of this part, or any part, of any program, payment otherwise due or paid such person during the applicable period may be required to be refunded with interest thereon as determined appropriate by CCC.

(b) A scheme or device includes, but is not limited to, coercion, fraud, misrepresentation, depriving any other person of cost-share assistance or annual rental payments, or obtaining a payment that otherwise would not be payable.

(c) A new owner or operator or tenant of land subject to this part who succeeds to the contract responsibilities shall report in writing to CCC any interest of any kind in the land subject to this part that is retained by a previous participant. Such interest shall include a present, future, or conditional interest, reversionary interest, or any option, future or present, on such land, and any interest of any lender in such land where the lender has, will, or can legally obtain, a right of occupancy to such land or an interest in the equity in such land other than
